The Compensation Fund implements improvements of its benefits on an annual basis in terms of sections 47 (1) (a), 49 (1) (a), 54 (1) (a) and (c), 55 (1) (a) and (b), and 57 (1) (a) and (b) of the Compensation for Occupational Injuries and Diseases Act.

The Amendment of Schedule 4: manner of calculating compensation and increases in monthly pension has been published in terms of government gazette 44238. This publication was delayed due to operational challenges at the government printers.

The gazette is currently under a period awaiting public comment which expires on 5 May 2021.

The proposed increases will, thereafter, be effected from 1 April 2021.
