Dear Sir/Madam

MINISTERIAL DETERMINATION 4: EXPANDED PUBLIC WORKS PROGRAMMES (EPWP)

In terms of clause 13(2) of the determination, the prescribed minimum wage of R75.10 per day or per task for the EPWP must be adjusted on the 1st of November in line with inflation (CPI available 6 weeks before implementation)

The CPI available 6 weeks before 1 November 2015 as set out in Statistical release P0141 on 19 August 2015 by StatsSA is 5%.

The prescribed minimum wage for the EPWP will therefore be increased to R78.86 per day or per task with effect from 1 November 2015.

Please ensure that wages are adjusted timeously in order to comply with the requirements.

Yours faithfully

DIRECTOR GENERAL: LABOUR
