

To All employers

New Project Underway: Panel of Service Providers to assess Employer COIDA Compliance

THE PURPOSE OF THE COMMUNICATION

To inform employers and interested stakeholders of the Compensation Fund's (CF) planned programme to engage and call upon employers to conduct compliance audits to the Compensation for Occupational Injuries and Diseases Act (COIDA).

Representatives of the Compensation Fund will engage registered and non-registered employers to establish compliance levels through a review of all Return of Earnings related information.

Employers are encouraged to comply with the compliance audits and submit all requested information.

Invite to all employers

- Confirm the status of their business operations
- To update their contacts and addresses
