

VACANCIES IN IRELAND

Recruitment of South Africans : Employment and skills initiative for construction workers in Ireland

The Department of Employment and Labour has developed a draft National Labour Migration Policy (NLMP). The policy makes provision to implement suitable overseas recruitment, facilitation and placement of South African work-seekers and their protection throughout the migration journey, including labour market and social reintegration upon return.

The Government of South Africa: Department of Employment and Labour in collaboration with the Irish Government: Department of Social Protection have embarked on recruitment of highly qualified South Africans to work in the construction sector in Ireland.

Who can apply?

- South African Citizens
- No criminal records
- There will be pre-departure training for the suitable candidates
- Your qualification must match the minimum requirement of the role you are applying for

Duration

- Critical Skills Work permit **(2 years)**
- General Employment permit **(1 year)**

Closing

3 June 2023

APPLY
